SADDLE UP FOR AMARILLO

The Amarillo HOG Chapter and Rally Committee extend a sincere Texas welcome and invitation to all our HOG brothers and sisters across this great state of Texas and the nation to join us in Amarillo May 17-19, 2007 as we host the Texas State HOG Rally.

Amarillo and the Texas Panhandle have many unique characteristics and one of a kind, hidden treasures. We can hardly wait to extend our Texas hospitality to all our Harley friends and show you things you never knew existed in this part of the country.

Just to name some of the experiences that await you – ride a piece of historic Route 66 and enjoy quaint antique shops, the famous Cadillac Ranch, scenic Palo Duro Canyon State Park which is the second largest canyon in the US just behind the Grand Canyon, the Panhandle Plains Historical Museum which is the largest history museum in Texas, Bell Helicopter home of the V-22 Tiltrotor Osprey, the American Quarter Horse Museum, Caprock Canyons State Park which is home to the official Texas State Bison herd, the Big Texan Steak Ranch where you get a free 72 oz. steak if eaten in one hour, the Kwahadi Indian Dancers Museum, Wonderland Amusement Park, English Field Air & Space Museum, Wildcat Bluff, and maybe the best kept secret - our beautiful Texas Panhandle sunsets and wide open spaces.
